Mansi Panchani

PHP Laravel Developer

mansipanchani2001@gmail.com | +916351717430 | linkedin.com/in/mansi-panchani

Laravel Developer with 5+ years of experience, including 1 year as Assistant Team Lead. Skilled in building scalable web applications, APIs, and SaaS products using Laravel. Experienced in team leadership, project management, and solving complex technical challenges.

EXPERIENCE

Codonnier Solution

Oct 2025 - Present

- Implemented background jobs, queues, and task scheduling using Laravel.
- Optimized application performance for real-time tracking systems and contributed to scalable system architecture for client projects.

Smartweb Infotech

Nov 2024 - Oct 2025

- Worked on multiple client-based projects and product customizations; developed features based on business requirements.
- Collaborated with team members to deliver high-quality solutions.

WorkDo Solutions Private Limited

May 2021 – Oct 2024

Developer (2 years) → Assistant Team Lead (1 year)

- Developed and maintained scalable SaaS products using Laravel; built custom modules and reusable Laravel packages to enhance functionality.
- Managed production deployments and ensured system stability.
- Led a team by assigning tasks and tracking progress to meet deadlines; conducted technical interviews and trained new developers.
- Resolved complex technical issues, including third-party integrations; provided client support for technical, server, and installation-related issues.
